The *PM Samvad* was very inspirational for the SHG women. The members of SHGs formed under DAY-NRLM in the UT of Andaman & Nicobar Islands got inspired with the works being done by the SHG ladies of other States who interacted with the Hon'ble Prime Minister. Appreciation given by the Hon'ble Prime Minister to the SHG ladies, encouraged the SHG ladies of the Islands to come up with new ideas of livelihood activities for better living.

The Hon'ble Member of Parliament, A&N Islands, also joined with the SHGs ladies at Little Andaman Block of this UT to witness the telecast of 'PM Samvad' which resulted as motivational factor to ladies working with NRLM and forming SHG and higher social institution.
The ANIRLM and the members of NRLM-SHGs formed in the UT of A&N Islands appreciate the effort done by the NMMU, NRLM, MoRD, GOI and is thankful for dissemination of awareness about the workings and strength of SHG women throughout the nation by this Samvad.

C. REMARKS

The PM Samvaad was conducted in nearly all the locations in the 15 blocks under DAY NRLM. However owing to severe disruptions due to rains and landslides, the turnout was not as expected.

Reports are there that WSHG members across all locations have seen the programme on doordarshan and some in news programmes through Direct to Home networks.

The takeaway of the program was the awareness of various trainings provided under DDU-GKY and RSETI. The participants were inspired and encouraged by the accomplishment of fellow WSHGs from different corners of the country.

**SHGs, farmers benefit from 'direct samvad'**

**SAGALEE, Jul 12:** Sixty-four members of various SHGs under the Sagalee ArSRLM, along with beneficiaries of rural employment-cum-training schemes benefited from the prime minister's 'direct samvad' programme on Thursday morning.

The programme was arranged by the ArSRLM department here in Papum Pare district.

"SHGs form the basis of the economic growth of the poor, especially women. For women empowerment, the most important requirement is to provide them the opportunity to recognize their own powers, abilities and skills," said Prime Minister Narendra Modi while interacting with more than 10 million women SHG members across the country through video conference.

In Tawang, the Krishi Vigyan Kendra broadcast the PM's interaction programme in its training hall. Altogether 57 women farmers participated. In Namsai, the PM's telecast was witnessed by 39 women from 5 SHGs of Momong village, while in Tirap, 73 SHGs under the UD department and the Deomali NERACOM, including farm women, benefited.

C. REMARKS

1. Around 30-40% CSCs are either not working or shifted in nearby city areas.
2. Most of CSCs are having capacity to accommodate only 10-20 persons. Therefore, in most of the villages the alternative arrangements were made at VO level.
3. Many SHG members watched the program at their home, so their numbers could not be captured. The numbers of actual listeners are high.
4. It could have been more effective if all CSC Centers were operationalized and proper timely message was communicated to them from their authorities.
